

# 100% OF ALL DONOR FUNDS GO DIRECTLY TO THE PROJECTS.

Change one life.  
Change the world.

## THIS IS WHAT WE DO

Our focus is to lift women and children out of extreme poverty in rural Ethiopia. A *Glimmer of Hope* developed an entrepreneurial model to provide clean water, schools, health clinics, and microfinance loans.

2001 - 2010

**Total:** \$35 million

## HERE'S HOW WE DO IT

Our unique **100% Promise** guarantees all donations go directly to funding the projects, over 4,000 to date. Our endowment covers all operating expenses. Over the last 10 years, *A Glimmer of Hope* has improved millions of lives.

Through photos, video and GPS coordinates, our donors personally experience how their contributions, large and small, are changing lives. We listen to and partner with communities to build and maintain projects, ensuring sustainability.

*A Glimmer of Hope's* founders, Donna and Philip Berber, were recently ranked #6 globally on Barron's list of The Best 25 Givers, based on effectiveness and impact.
